DEGREE PROGRAM

Bachelor of Science in Healthcare Management

This program prepares students for leadership roles within the fast-growing healthcare field. They'll explore the business side of healthcare and help people receive the care they need by making sure the organizations that provide it run smoothly and efficiently. Courses cover topics including healthcare management and operations, accounting and finance, IT, leadership, healthcare ethics and more.

Employee Tuition Reduction: The Employee Tuition Reduction applies to select Lynn University online undergraduate degrees. Eligible employees that qualify under their employer tuition assistance benefit policy and meet Lynn's admission criteria for the chosen education program will receive the stated tuition reduction off the published tuition rate. "Published tuition rate" refers to the standard tuition rate for the specific program as listed in the Lynn University course catalog at the time of the student's enrollment for a given semester. For a full list of tuition rates, visit https://www.lynn.edu/admission/tuition-aid/undergraduate. This reduction is subject to Lynn's policies, admission standards, codes of conduct, and procedures and cannot be combined with other tuition reductions. This reduction is valid for the duration of the individual's employment with the participating employer, provided the employee continues to meet eligibility requirements. This reduction is not retroactive and applies only to courses taken after the employee has been approved for the reduction. Tuition reduction applies to the published tuition rates only at time of enrollment and excludes all other costs and fees including books and materials required for enrollment. Lynn University reserves the right to modify or terminate this Employee Tuition Reduction program at any time, with or without notice. This reduction program shall be governed by and construed in accordance with the laws of the State of Florida.

Credit for prior learning: See the university catalog for the undergraduate student transfer policy.
